

All the Saturday night winners

The Saturday night winners of the 39th Annual Loerie Awards, which took place on 19 August 2017 at the Durban ICC, have been announced. Congratulations to all!

Loeries Creative Voice Donovan Goliath from Goliath and Goliath emceed the ceremony, and introduced current Loeries chair 'aunty' Suhana Gordhan who gave the audience a glimpse of the light that creativity shines and that which the Loeries shines on creativity. She shared all they've been involved in this past year, what it means to be a creative in 2017, and her vision for and hope in the creative industry.

Competition on the night was fierce, with only the best of the best cracking the judges' nod.
