

Ener-G-Africa appoints Dave Lello as chief business development officer

Ener-G-Africa (EGA), a renewable energy solutions provider, has announced the appointment of Dave Lello as chief business development officer.

Lello joined the company in January 2024 and will be spearheading the development of EGA's market presence in South and East African countries. With decades of experience in channel development across various technologies, including a focus on energy access, Lello brings a wealth of knowledge and expertise to his new role.
