

Clear Channel through Mozambique and Zambia

Clear Channel Independent has announced that they have once again been awarded the Mozambiquan airport advertising rights for Maputo and the country's northern airports.

MTN Zambia was launched in November last year after their take over of Telecel Zambia Ltd. They have made a dramatic impact through the acquisition of key outdoor advertising sites. The latest being pillar wraps at Lusaka Airport through Clear Channel Outdoor in Zambia.

Lusaka International Airport hosts 21,467 flights per year handling 354,577 passengers. These figures are expected to increase dramatically with more airlines securing operating rights between Johannesburg and Lusaka.
