12 Oct 2020

OFM is living the real good life in central South Africa this month as it celebrates the world's biggest pop songs in Poptober.

Every Wednesday, OFM will put these iconic songs on our playlist and encourage our listeners to share their music memories. From 8am to 6pm a pop double play will feature on OFM's playlist once every hour along with a fun fact about the songs. Lucky listeners, who share their pop music memories also stand a chance to win R1,000 on Wednesdays during the Poptober payout.

Says Lindiwe Mtwentula, OFM marketing manager: "Pop music originated in the 1950s in the United States and United Kingdom. To this day, it remains the most commercial and most accessible of all the music genres. From Michael Jackson to Maroon 5, Carly Simon to Christina Aguilera, Shania Twain to Ed Sheeran – we love them all and we will play their music this month! Tune in, dance to the beat and win yourself some cash in the process."

To enter, Telegram the song and the memory it awakens to 084 222 9497 (data rates apply).

Listeners can access every week's playlist at www.ofm.co.za.
