In 2019, Grey had been voted ninth most creative agency overall. In 2020 Grey has climbed another four rankings to number five in the Creative Circle interim rankings.

Paul Jackson, Grey Advertising Africa CEO, states: "If it wasn't for the total commitment and unyielding work ethic of the Grey team during a really challenging period, we would not have created our brand of Famously Effective creativity – which is being acknowledged by consumers, clients and our peers. We are incredibly chuffed with the trajectory of our recent creative rankings."
