The Bizcommunity.com Readers Choice competition ended on 12 November, which meant that on the 13th we had to inform our voting winner.

But the competition also brought some bucks to the [ABF](#) by means of the voters' premium-rated sms votes. Bizcommunity.com pledged all the proceeds to the ABF and will make a donation on behalf of the voters who supported the competition. Votes streamed in, with 1686 votes being cast, and the competition brought a smile to one of these voters...

Jacqueline Metrowich is the lucky winner of a dream island holiday. She was informed of her good fortune on Friday the 13th. "I am overjoyed to be the winner of the Bookmark Awards Competition", says Jacqueline. She is a project manager at Global Vision - a CRM software and services company.

## What Jacqueline won:
