PenQuin International promotes from within

The successful philosophy of empowering staff internally continues at PenQuin International, the specialist advertising and marketing solutions company, with the promotion of Wendy Mitrovich to the position of Business Unit Director.

Since joining the company, Wendy, along with PenQuin International has grown from strength to strength.

A strong believer in leading from the front, Wendy's leadership skills are proving beneficial to the company's clients and PenQuin International as a whole.

"This is a very exciting chapter in our history and Wendy has proven she is up to the task and ready to grasp her next challenge with both hands and run with it to the benefit of the company," says PenQuin's Grant Leishman.
