

New traffic at TIM

- Walter Murray has been appointed to head up the design department at Traffic Integrated Marketing as Senior Designer.

Walter has relocated from Zimbabwe to take on his new role, leaving behind him 5 years of solid design experience achieved at Danes Design and from a range of freelance projects.

- Justine Devine is the newest member of Traffic Integrated Marketing's strategic department. Her Business Science degree and post-grad in marketing and advertising at The Red and Yellow School have given her a sound basis for adding value to the award-winning agency.

The clients in Traffic Integrated Marketing's stable include iChoices, Medshield, Delport Ward and Pienaar Attorneys, Creda, Eset SA, playuklottery.com, Edexcel, Brightest Young Minds, Ellerman House and Block and Chisel.
