

Reminders of home for Zim ex-pats

Zimbabweans living abroad can now watch ZTV news and tune in to local radio stations, like Radio Zimbabwe, SFM, and 3FM, over the internet. Richard Chingombe, of RC Microsystems Inc which runs the website www.zimupdate.com, says that it is important to create a "balanced diet". The website was also a "shoulder to cry on", RC Microsystems CEO Winston Makamure suggested.
