

Print Innovation Awards 2021 open for entries

The World Association of Newspapers and News Publishers (Wan-Ifra) has opened entries for the fourth annual Print Innovation Awards. The Print Innovation Awards competition recognise the most highly innovative print ads as well as newspaper and magazine publishers' products worldwide and is open to newspaper and magazine publishers as well as advertisers or advertising agencies.

The Print Innovation Awards are presented in seven categories. The closing date for entries and upload of project files is Tuesday, 30 August 2021. Winners will be honoured at the World Printers Summit in October 2021. To submit entries click [here](#).
