

Windhoek beers receive DLG Quality Evaluation awards

Three variants of Windhoek Beer received accolades at the 2017 Deutsche Landwirtschafts Gesellschaft (DLG) Quality Evaluation awards. Windhoek Draught and Lager received international Gold standards while the Windhoek Light achieved the silver award.

The DLG is a test centre that examines the quality rating of agricultural and food sectors and it analyses and reviews over 27,000 food category submissions from across the world on a yearly basis.
