

See: Builders Margate store reopens

Builders has reopened its Margate store. With online integration and improved departments, the new store promises a seamless shopping experience. Additionally, customers can access the cut shop and in-store services, including gas refills, gas exchanges, key cutting, pool water analysis, paint mixing and tinting. All services that previously were not available in the community.

The new Builders store in Margate is located at Main Manaba Road, Manaba.
