

Pamro marks 21st anniversary

This year, the Pan African Media Research Organisation (Pamro) celebrates 21 years. Registrations for its 2020 e-conference themed 'The story of African resilience' are now open.

The virtual conference will take place from 27 to 29 October and is set to attract individuals, brands and/or companies interested in media research activities from all over Africa and around the globe.

To register for the e-conference, [click here](#).
