

BBM, Planet Sport Publishing adds PlanetF1 to Discover menu

BBM Messenger and Planet Sport Publishing have furthered its partnership by adding PlanetF1 to the BBM Discover menu.

PlanetF1 allows motorsport fans to follow live grand prix action every race weekend and fans in more than 100 countries can browse races by date, check on grid positions, get live race timings, check text commentary, check expert analyses, and review final race results as well as the profiles of drivers.

BBM Messenger previously added sports services Football365 and Tennis365 to the BBM Discover Menu.
