

Neville Bissett named QTerminals CEO

Neville Bissett has been appointed as QTerminals' first CEO. The appointment was made by the company's board of directors.

Before joining QTerminals, Bissett worked as the GM of the Ports Development Company, the master developer and Port Authority of King Abdullah Port (KAP) in Saudi Arabia, the MD of an AP Moeller Terminals (APMT) joint venture in Africa, and as the CEO of Alexandria International Container Terminals (AICT) and, subsequently, Tanzania International Container Terminals (TICT).
