

OneCart, Makro partner to offer same-day delivery shopping

On-demand grocery delivery service OneCart has partnered with Makro and Makro Liquor for same-day delivery in Gauteng, KwaZulu-Natal, and the Western Cape. Food, beverages, and other household goods from Makro can now be added to a basket on the OneCart website or app.

Makro is the seventh retailer to be added to OneCart's list of stores. The other retailers include Pick n Pay, Woolworths, Dis-Chem, Food Lover's Market, Clicks, and Jacksons. OneCart offers a two-hour delivery period for a single transaction.

OneCart's CEO Lynton Peters commented on the new partnership, saying: "We are delighted to partner with Makro and together bring more variety and value right to the doorsteps of OneCart users along with the convenience and flexibility of same-day delivery. Our customers are the motivation for everything we do, and we are thrilled to be making their lives easier with hassle-free, fast, and personalised shopping delivery from Makro."
