

Day two highlights

Design Indaba speakers continue to share their creative insights...

“Personal data collection is exhilarating. Suddenly everything becomes so much more self-awareness almost unbearable.”

Kaki King

“...ers, we have the opportunity to not just see objects but to see processes.”

leaz

“Don't be afraid to put your work out there, put it out there, and don't be afraid to be rare.”

Blinky Bill

First they told us
design a new col
mouse, then the
to make an AirB
