

ECR asks for toy donations

East Coast Radio has asked for more donations for its Toy Story campaign. East Coast Radio and Game have already received 3,000 toy donations and 750 of these have been handed out to children at 17 government hospitals across KwaZulu-Natal.

Toys may be donated to the campaign at any Game store across the province until 15 December 2017. Monetary donations are also accepted and go towards the Game AmaLunchbox project, which aims to curb the detrimental effects of hunger on education throughout the school year.
