

# Capital Communications, DonValley join forces

Capital Communications and DonValley have partnered to unveil Capital Communications's Impact Branding to South Africa.

Impact Branding applies the focus and criteria of impact investing to branding, corporate identity, corpcomms, public affairs, and other related disciplines.

Capital Communications and DonValley will be presenting Impact Branding to a South African audience together with the SA Brand Summit in Cape Town during May. Capital Communications will also be seeking to partner with other organisations and agencies to expand Impact Branding globally.
