

SAB Foundation Tholoana Enterprise Programme accepting applications

The SAB Foundation Tholoana Enterprise Programme is seeking entrepreneurs with a desire to grow and succeed. This innovative and life-changing programme has produced exceptional results for hundreds of entrepreneurs across the country and in various business sectors since 2015.

In this 18-month programme, entrepreneurs receive comprehensive entrepreneurial skills development, mentoring, and access to tools and templates. A strong network of peers and access to markets and funding also helps small business owners achieve exceptional results.

Entrepreneurs with disabilities are strongly encouraged to apply. The programme also accepts applications from businesses operating in new and growing sectors such as exporting, manufacturing, food processing, water, energy and waste management.

Applications close on Thursday, 30 September 2021.
