

# All the AFRIFF winners

The 3rd Africa International Film Festival (AFRIFF) took place from 10-17 November in Calabar, Nigeria. Here are all the winners...

The awards aim to raise awareness in Africa about the vast potential the entertainment industry holds and the impact it can generate in the economy. Its objective is to establish bridges for partnership with international counterparts to ensure quality, expertise and global standards access the local industry, accelerating its sustainable development.
