

Scene Xtreme cinema to open at Clearwater Mall

Nu Metro Cinemas has confirmed that their third Scene Xtreme cinema will be open to public at Clearwater Mall in Johannesburg from Thursday, 2 July 2015. The first "Xtreme" attraction was launched at Nu Metro The Glen late last year, along with Nu Metro Menlyn in Pretoria - which were the first cinemas in Africa to reveal the first phase in Nu Metro's Scene Xtreme immersive 3D offering.

The Scene Xtreme cinema at Nu Metro Clearwater Mall will be the first ever cinema in Gauteng to feature the new Dolby Atmos sound system.
