

## South African films open overseas

South African produced films *Five Fingers for Marseilles* and *Nommer 37* have attracted international attention.

Michael Matthews' *Five Fingers for Marseilles* is scheduled to feature in cinemas in New York and Los Angeles from 7 September 2018, before moving to an additional 15 American cities. The film has also secured releases in Japan and Scandinavia with the production schedule to be available on Amazon Prime.

*Nommer 37* celebrated its world premiere last month at the South by Southwest (SXSW) Film Festival in Austin, Texas.
