

Cinemas open on voting day

South Africans will get to vote not once, but twice on Wednesday 1 March. Citizens can vote in the Municipal Elections, but they can also have their say in the 'Oscars Elections' run by Ster-Kinekor as part of the Howzit Hollywood campaign. Movie-goers get to vote on www.sterkinetor.com for the picture, actors or director they think should take the statue. South Africa's choices will be published after the 78th Academy Awards and Oscar memorabilia will be up for grabs.
