POPIA: Updates, Compliance and Review 2024

To be POPIA compliant is an ongoing training and awareness project. There is no such thing as once compliant, always compliant.

Old and dusty check boxes on a long compliance list will not help the practice in case of data loss or data breach.

Who should attend?
Governing body, The Information officers, Divisional managers, Processors of personal data.
Anyone can attend this course.

Key topics covered
• The Compliance Checklist
• Protection and recovery of data
• Specific industry focus
• 8 Conditions of POPIA Part 1
• The latest guidance for Information Officers
• How to solve POPIA challenges facing financial practices
• Final readiness check.
