It's been an abundant month for Grapevine Communications as we picked up new accounts: Afrika Tikkun - a 'Cradle to Career' programme that offers corporates more than just a socio-economic platform to make a difference but the opportunity to make a sustainable contribution to job creation and youth development.

We also signed Legend In You (the amazing path of a spiritual healer, Victor Graca), GardenShop, specialist garden and lifestyle décor retailer in Gauteng, and The Stables Village Market in Chartwell, a new family venue where local artisans offer a selection of locally produced food stuffs and products.
