The 13th annual RecruiterAwards, hosted by CareerJunction, one of SA's leading online job boards took place on the evening of 17 November 2016 in Sandton, Johannesburg. The much anticipated event sees the country's top players in the recruitment industry come together to celebrate service excellence within their profession.

Each year, accolades are awarded to those recruitment agencies, big and small, that stand out for the level of service they provided to job seekers who used the CareerJunction website to find employment. What makes this event so unique is that award winners are determined by job seekers, who get to cast their votes throughout the course of the year.

This year, over 3,600 job seekers cast their votes for 500+ agencies. Only the top nine agencies walked away with special accolades for their contributions during 2016.

Awards were presented across three categories (based on the amount of jobs posted over the past 12-month period):

- Platinum 100 (advertised an average of 71 to 100 job ads per month).
- Platinum 70 (advertised an average of 26 to 70 job ads per month).
- Platinum 25 (advertised up to 25 job ads per month).

And the winners were:
