The highly anticipated docu-series stars Nobantu Vilakazi, Josiah De Disciple, Njelic, Sandy MRD, and Mawhoo.

This September, during the celebration of our diverse cultural heritage, 1Magic spotlights the mesmerising world of Amapiano in *Impilo Ye Piano*. Join stars Nobantu Vilakazi, Josiah De Disciple, Njelic, Sandy MRD, and Mawhoo as they seamlessly blend their beats with the nation's rich roots.

1Magic's latest offering, *Impilo Ye Piano*, transcends mere entertainment, shining a light on five talents that amplify the genre. The genre taking the world by storm reflects South Africa's tales, tribulations, and triumphs. The docu-series dives into these stories, where today's unsung heroes become tomorrow's legends, and witness how the rhythm of heritage transforms.

Nobantu Vilakazi: From Meadowlands, Soweto, Nobantu's raw energy encapsulates the Amapiano essence. Stepping into

stardom with Khurukhutsu, her voice weaves melodies across the continent. But her heart? That beats for her son, Bandile, and her dreams of global acclaim. With allies Prince and Crispy, the stage is hers to conquer.

Josiah De Disciple: As one half of Jazzidisciples, he gave us Amapiano's first music video, *Long Lasting*. Now solo, his soulful sounds on *Sounds of Gomora* are setting new records. But behind the turntables? A dedicated father and partner, guiding and nurturing Alexandra's Amapiano prodigies.

Njelic (Tshwarelo Motlhako): Amapiano's grootman, his voice and beats are iconic. His commitment? To Soweto's young talents. His drive? World recognition. By his side? His sister Palesa, confidant Bravo, and his young daughter.

Sandy MRD: Amapiano's first female vocalist of Team Mosha fame, once at the peak, now battling to rebuild a broken career and reputation. From heartbreaks with Team Mosha to new beginnings in Riverlea, her comeback is one for the ages.

Mawhoo: This KZN sensation transitioned from Gqom to Amapiano like a phoenix. Collaborations with the biggest names? Check. Social media sensation? Check. But her true journey? Merging Amapiano aesthetics with her rich Zulu heritage.
