

# 4 birds in the hand for Howard Audio

Issued by [Howard Audio](#)

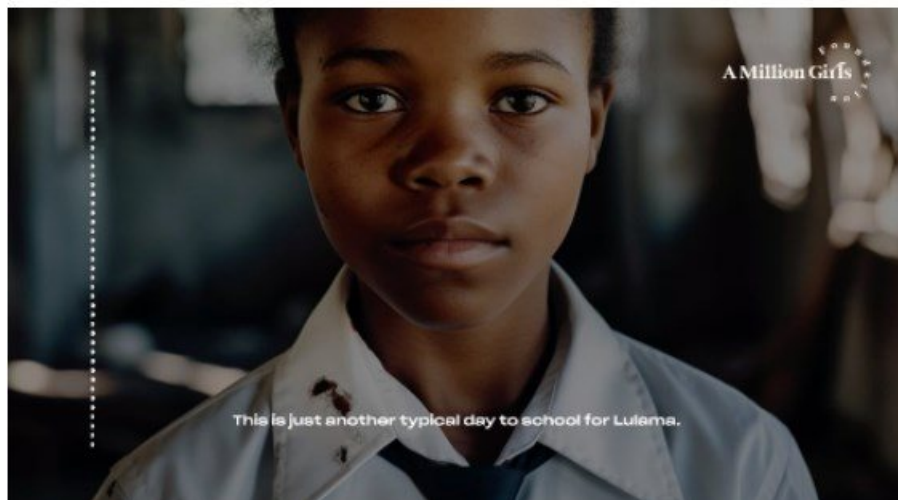

12 Oct 2023

The Loerie Awards happened in Cape Town last week and what a week it was. Howard Audio is thrilled to have had no less than 21 finalists this year, winning two Campaign Craft Gold Loeries, a Campaign Craft Bronze and a Craft Certificate. We always say awards mean nothing... until you win one! Or two... or even four.

**Campaign Craft Gold Loerie** for Boomtown's 'A Million Girls Foundation' radio (non-English) campaign, designed and engineered by Paul Theodorou, our talented head of audio.

**Campaign Craft Gold (and a Craft Certificate)** for Promise and PPS's "The Forgotten Graduate". 40 minutes of music and sound for an online campaign that takes us back in time to find the first graduates of colour in South Africa who were omitted from the history books. Deep on many personal and cultural levels.
