

Swift Systems Analyst Specialist

Location:	Johannesburg
Remote work:	Only remote work
Type:	Permanent
Reference:	#GZ57921
Company:	E-Merge IT Recruitment

Are you a seasoned professional with a passion for transforming business initiatives into cutting-edge IT solutions? If so, we want you to be part of our innovative Forex Product House team!

We're seeking a talented business systems analyst to lead the way in shaping the future of our systems and databases. As a business systems analyst, you will be the driving force behind converting ideas into world-class solutions that meet the needs of our business and external stakeholders.

Don't miss this opportunity to be part of our collaborative team and help shape the future of the Forex IT industry. Apply now!

Requirements:

- 7-10 years relevant systems analysis experience, as enumerated above
- 4-5 years international payments and Forex industry domain experience
- Extensive SWIFT knowledge
- Degree or diploma and/or CBAP Certification
- Strong working knowledge of Use Cases and UML
- Exposure to the system or applications being developed would be an added advantage
- All elements that make up the Forex IT infrastructure
- Swift
- Development and production incident management
- Scope change management

Reference number for this position is **GZ57921** which is a permanent position offering. Contact Garth on garthz@e-merge.co.za or call him on [011 463 3633](tel:0114633633) to discuss this and other opportunities.

Are you ready for a change of scenery? The E-Merge IT recruitment is a specialist niche recruitment agency. We offer our candidates options so that we can successfully place the right developers with the right companies in the right roles. Check out the E-Merge website www.e-merge.co.za for more great positions.

Do you have a friend who is a developer or technology specialist? We pay cash for successful referrals!
