Location:	Cape Town, Somerset West
Job level:	Senior
Type:	Permanent
Reference:	#SeniorDesigner2023
Company:	MDOT

MDOT is looking for a highly-talented and passionate senior digital graphic designer to join our team.

We have built our agency and team around 100% commitment to getting the job done right and on time. We take our work very seriously, but we make sure we have fun doing it.

We work fast, smart and don't compromise on quality and creative that is on point and relevant. We push ourselves to be better every day, by working together, sharing knowledge, research, learning and absolute love and passion for our craft.

The ability to operate in a high-pressure environment is essential to the success of this role. Working on multiple projects simultaneously and jumping between jobs is the nature of game and you will need to take this in your stride.

We respect our clients and there are no amount of changes that will affect our commitment to getting the job done. We also don't take creative direction personally. We are as a business after a single result, making the client love the work we produce.

- We need a professional and experienced designer that has a diverse range of skills and application for design and extensive knowledge of the print and digital space.
- Having a keen eye for detail is not enough, it's having the ability to function at the highest level of detail, consistently through all aspects of design, from type, imagery, copy and concept.
- You will need to take the project from concept to completion on your own while assisting and motivating other designers to achieve the same excellent standards that you possess.
- An expert and real working knowledge of software are essential to work at the desired speed and earn the respect of our highly trained team.
- We are not looking for good, we are looking for exceptional.
