

Turner Africa sponsors AAN's Animation Village

Turner Africa is sponsoring African Animation Network's (AAN) Animation Village at the 2017 DISCOP Trade Fair, that will be held in Johannesburg. Turner's sponsorship is expected to boost AAN's efforts to develop animation talent in Africa by leading several activities that will be hosted at DISCOP's African Animation Village.

In partnership with Annecy International Animated Film Festival & MIFA (Annecy MIFA) and DISCOP markets, the African Animation Network will be facilitating pan-African project selections through pitching competitions.
