

2022 Sabre Awards open for entries

The Sabre Awards for North America, the EMEA region and Africa are open for entries for the 2022 awards competition, with 20 December 2021 the early deadline. Entries will be accepted up to 31 January 2022, with additional late fees.

The entry site includes relevant information for all regional competitions, such as categories, fees, submission deadlines and advice on writing an entry that will be successful. In addition, it provides a streamlined and intuitive system for uploading entry and payment information.

To submit an entry, [click here](#).
