

## **South African CRM Forum launches**

Wanted to know more about CRM from companies that are doing it and succeeding at it or learning from their mistakes? The CRM Forum is now open for comments at <a href="www.gushbiz.com">www.gushbiz.com</a>. CRM Forum welcomes a broad range of topics; business intelligence, data management, marketing automation, contact centre and support integration - whatever drives the relationship building component of your organisation. Gush is a Member of Computer Society of South Africa and founder of CRM Special Interest Group, "CRM Special Forces".
