

ODA exhibits Olantunji Sanusi's *Save Water*

Nigerian-born and South African-based fine artist, Olantunji Sanusi, pays homage to water as a vital and sacred origin of life as depicted in Yoruba legend, which echoes the basic element of water as life-giving.

Sanusi makes use of recycled paper in this collection, transporting visitors to the origins of joy and life.

Sanusi will be exhibiting at [ODA](#) until 28 April.
