

Correction: MAZ brand contest, no Superbrands association

In the article [Zim: Over 100 brands up for Superbrand contest](#) by Dumisani Ndelela, published on Friday, 20 August 2010, Bizcommunity Africa incorrectly published the Superbrands logo in accompaniment to the article. The international Superbrands company has no association whatsoever with the Marketing Association of Zimbabwe's Superbrand - Brand of the Year 2010 competition. We apologise for the error.
